

* Deposits

By booking a trip it is implied that you have read and agree to the policy terms set forth.

BassSoldiers.com Guide Service operates year-round to accommodate as many trips as possible. When scheduling a fishing trip with us, we ask that you please try to avoid rescheduling or canceling your fishing trip as this creates booking and scheduling conflicts within the guide service.

A \$50 minimum deposit(\$100 for VIP) is required for all fishing trips. This deposit reserves your guide for a specified trip length on a particular day. The remaining balance will be due in full no later than 48 hours prior to the day of your trip.

Cancellation/Refund of Deposit Policy

We understand that unforeseen situations may arise beyond anyone's control that affect travel plans. We believe in a fair approach to cancellations; our cancellation policy is such that it both protects the livelihoods of our guide in the unfortunate event that a scheduled charter must be cancelled, and in some situations allows you to apply deposits from cancelled trips towards future bookings.

Deposits are nonrefundable, however, trips may be rescheduled if we are contacted 5 days prior to the trip. No shows or late rescheduling will result in a forfeiture of deposit.

Most trips run rain or shine and in most weather situations. Central Florida is a tropical environment and can get pop up showers and thunderstorms. So please dress appropriately. The Captain will make every effort to keep you safe and in suitable weather for fishing and we keep a close watch on weather and storm patterns for safety. But only your guide may cancel your charter within 24 hours of scheduled trip date due to weather or mechanical breakdown without potential penalty or forfeiture of deposit. In the rare event of severe weather conditions or other serious safety concerns on the day of your trip that prevents us from heading out on the water, as determined by your guide, we will not refund your deposit. You will receive a credit towards a future trip. **For your safety, guides reserve the right to terminate any fishing trip in progress in the event of severe weather or other serious safety concerns(NO REFUND)**
